By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

## California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## School Description and Mission Statement (School Year 2022-23)

Five Keys Mission
Through the use of social and restorative justice principles, Five Keys provides traditionally underserved communities the opportunity to improve their lives through a focus on the Five Keys: EDUCATION, EMPLOYMENT, RECOVERY, FAMILY, and COMMUNITY.

## Five Keys Vision

Redefining the way people think about education in restoring communities

## The Five Keys Core Values

Compassion: we see individuals as whole people and respect their experiences
Lifelong Learning: We believe that lives and communities are stronger on journeys of knowledge, wisdom, and growth.
Integrity: We act with honesty, transparency, and accountability to reach high standards and build trust in our communities.
Advocacy: We empower our community to find their voice and work toward their goals and vision for individual and systemic change
Teamwork: We unite and invest in our individual and collective strength to meet common goals

## 2022-23 LCAP Goals

Goal 1: Provide a high-quality and comprehensive instructional program
Goal 2: Provide students with a positive and safe school environment which promotes student retention, recovery, and reintegration into families and communities Goal 3: Students will be college and/or career ready

## Student Enrollment by Grade Level (School Year 2021-22)

Minimum students was not met in the provided examples. Future development will include messages on the table to explain what the minimums are to display data.

## A. Conditions of Learning

## State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## Teacher Preparation and Placement (School Year 2020-21)

During the 20-21 school year, Five Keys was notified that all teachers must have a K-12 credential, which requires student teachers, after previously having a legal opinion stating that the Adult Credential is adequate for the settings in which Five Keys teaches. Since then, Five Keys has been actively supporting all teachers with an adult education credential to obtain a K-12 credential. As of the 22-23 school year, five teachers have earned a preliminary credential, and ten more are on track to be completed by the end of the school year. Additionally, Five Keys Independence High is an independent studies program that allows for the broad assignment of courses and credentials.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## School Facility Conditions and Planned Improvements

For most sites, Five Keys operates in county jails and in partnership with workforce development programs, where we operate small, independent study learning centers. All facilities are in good condition in alignment with the FIT tool. For Five Keys-owned sites, there are no planned improvements. Individual facility reports are available upon request.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

- College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Where it was the most viable option, in 2020-21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020-21 data cells for the school, district, state have N/A values because these data are not comparable to 2021-22 data.
Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| 5 |  |  |  |  |  |
| 7 |  |  |  |  |  |
| 9 |  |  |  |  |  |

Note: Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas.
Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

## Opportunities for Parental Involvement (School Year 2022-23)

The parents of minors who attend Five Keys are encouraged to be involved as possible in their child's education. As the situation at each site differs, parents should meet with their child's teacher and principal to determine available opportunities.

## State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

## Graduation Rate by Student Group (Four-Year Cohort Rate)

(School Year 2021-22)
?In the fall of 2023, it was announced to all DASS schools that the federal department of education rejected alternative methods of accountability, specifically the 1-year cohort. As a result, Five Keys graduation data shifted from a 1-year cohort to the $4 \&$ to 5 -year adjusted cohort data to match the accountability metrics of traditional schools. This information was applied retroactively to all school years. As a result, the graduation data is different than that Five Keys was working off of.

| Student Group | Number of Students in Cohort | Number of Cohort Graduates | Cohort Graduation Rate |
| :---: | :---: | :---: | :---: |

## State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019-20 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

|  | School | District |
| :--- | :--- | :---: | :---: |
| Rate | $\mathbf{2 0 1 9 - 2 0}$ | $\mathbf{2 0 1 9 - 2 0}$ |

Note: The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.
